Few Important Thoughts At The End Of Summer

PLEASE READ THIS IMPORTANT LETTER

A

It was time for a break! Life in the church since March has been hectic, chaotic, confusing, information overload, left planning nearly impossible and many, many sleepless nights! This past week was my first time off this year. I needed to get away to relax and prepare for yet more difficult days ahead. What to do when outdoor worship is no longer possible? Can we safely get back into church building? All of the added regulations that will bring on all of us! Sunday School start up. Committee meetings held face to face again and preparing for Church Conference (which I already have started). So many things yet to consider and do!

WE NEED YOUR HELP. In the next few days you will receive a survey from the church. It will be just a few questions, but your answers will help us plan accordingly. If you get your newsletter via email, the survey will arrive via email. If you get your newsletter via regular mail, the survey will arrive in your home mailbox shortly. **We need your help so we know what you are thinking and feeling.**

If you get the survey via email, simply hit "reply", ***not*** "reply all" to send your responses back to the church. If via regular mail, you can call the church and we will record your responses or you can mail them back to the church. Calling will help expediate the survey. We do have a deadline as Sunday School is scheduled to start September 13th. **We need your responses no later than the end of the day of September 7th.**

Thank you for taking the time to help with this survey. Myself and church leadership feels this is the best way we can react to what you are thinking and feeling at this time and allow us plan a way forward.

God bless you all and thank you for continuing to be the church of God even though we have not all been together in person, but we are in faith and spirit. For that I am forever grateful.

Pastor Dale

School Bag Project Reminder

Once again, the yearly school supplies are on sale. We are hoping to send at least 200 school bags to Conference next year, so we need some help to gather the supplies. Barb has already started working on making the school bags. Faith UMW has sponsored this mission for at least 20 years, and our church is one of the biggest suppliers to Conference. Most of the bags stay in the United States, but some are sent where they are needed overseas. Below is the list of items needed:

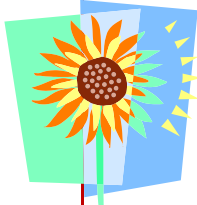

- 3 spiral notebooks (8 X 10 1/2")
- 1 – pair of blunt school scissors
- 1 – 2.5" eraser
- 1 – pencil sharpener
- 6 - #2 pencils (not sharpened, no advertising)
- 1 – ruler (12" with metric)
- 1 – box of 24 count Crayola Crayons

If you would like to donate fabrics we need 5/8 yard of 45" or 60" fabric. I want to thank everyone for their support of this project over the years. If you need any more information, call me at home 756-2009 (leave a message if I'm not there) or e-mail me at:
