## **How Are You Defined?**

In our lives we are defined in many ways. Some of us carry the title of mother and father, others brothers and sisters, sons and daughters, uncles and aunts, grandmothers and grandfathers, yet still others friends or neighbors. However, we as members of Faith United Methodist Church in Brillion are all defined as Christians.

We have just come through one of the most holy times in the Christian year, Lent and Easter. It is the resurrection of Jesus Christ that defines us as Christians. It gives us the promise of the new covenant and the promise of eternal life with Christ.

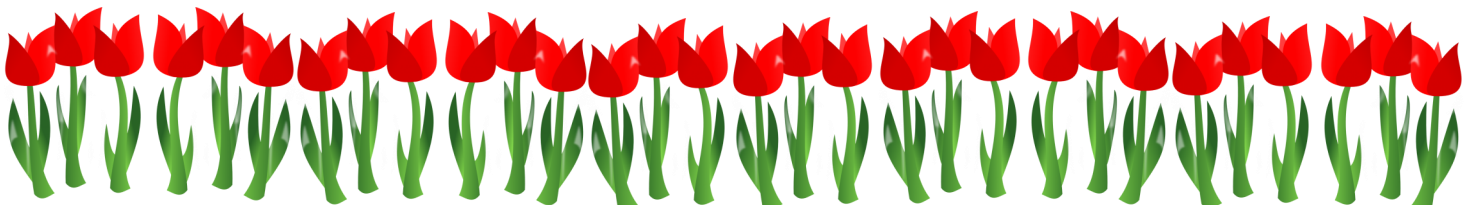

On Palm Sunday we experienced a beautiful palm parade in the sanctuary led by the youngest among us. The joy and excitement on their faces will stay with me a long time. It made a lasting impression. One day we will define them as members of our church. But while they are still in Sunday School and still learning so much about church, faith, Jesus and the love of a caring church family, we all MUST do our part to nurture them, set the example and show them the love of God.

When we Confirm our youth we state: "As members together with you in the body of Christ and in this congregation of the United Methodist Church, we renew our covenant faithfully to participate in the ministries of the Church by our prayers, our presence, our gifts, our service and our witness, that in everything God may be glorified through Jesus Christ." Are we doing this?

Did we mean it? Are we willing to live by the example of Jesus Christ and be a model for the children and youth of our church? Trust me they are watching and they are more perceptive than you think. If we do not live up to our definition as Christians then how do we ever expect them to do the same? Please encourage them, train them, love them, nurture them, show them by your example and they will live in God's love forever.

Thank you for a blessed Lent and Easter. Now let's go lead the way.

God bless Pastor Dale
